

PARTICIPANT-FACING ITINERARY

Water Tour

Wednesday, 26 August 2026

Enjoy a full-day excursion in Brno focused on **water management, technical heritage**, and the landscape of the Brno Reservoir.

The programme begins with a guided visit inside the **Brno Dam structure**, followed by a walk around the dam and reservoir area. Lunch will then be served at **OREA Resort Santon**.

In the afternoon, participants will travel by regular public boat service to **Veveří Castle**, where there will be free time to explore the castle exterior and surroundings. The group will then return by boat to Bystrc and continue by public transport back to the hotel.

Programme

Time	Programme
08:50	Meeting point in front of OREA Congress Hotel Brno and distribution of Brno public transport day tickets

Practical Information

Meeting point

1. In front of OREA Congress Hotel Brno Křížkovského 458/47, 603 73 Brno-střed
2. Přístaviště tram stop, Brno-Bystrc

Included in the tour

- Brno public transport day ticket
- Guided visit inside the Brno Dam structure
- Lunch at OREA Resort Santon
- Return boat journey between Bystrc and Veveří Castle

Important: The guided visit inside the dam structure is suitable for physically fitter participants. The spaces are confined, and the route includes approximately 100 stairs up and down.

The visit to Veveří Castle includes the castle exterior and surroundings only. No guided interior visit is included. Participants who do not wish to return by boat may leave the group at Veveří Castle and arrange their return individually. Comfortable walking shoes are recommended. Please arrive at your chosen meeting point on time. The programme may be subject to minor timing adjustments depending on public transport connections, boat operations, and on-site conditions.
